

Unit 1 Project: Beatitude Collage

Task
Jesus gave us the beatitudes ("blessings") as a guide for how we should live our lives in order to find true happiness. Each of the eight beatitudes challenge us in different ways to be a better person. By following the beatitudes, we receive God’s blessings in life, and the afterlife. Your task for this assignment will be to visually represent one of these beatitudes in a collage.

Instructions:
You will first create a visual collage of the beatitude that you most identify with. The collage needs to include the following:

- Your chosen beatitude written in the center of your collage
- Images that represent the concept of that beatitude. You can use:
  - Online images from magazines, news articles, websites, etc.
  - Personal images uploaded to your collage
  - Hand drawn images uploaded to your collage.
- The whole page must be taken up by numerous images of various sizes. There should be virtually no blank space.

Afterwards you will write a brief explanation for your collage, in which you explain the following:

- Why you choose this beatitude as the one you most identify with
- What attitudes or actions this beatitude calls us to live
- How the images of your collage represent this beatitude

You will use Google Drawings to create your collage. Once done you will save a .jpg version of the drawing & upload it into a Google Doc where you will write your explanation. Once both are complete you will share.
